DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert A. Hulse on August 07, 2007.

The application has been amended as follows:

In The Claims

3. (Canceled).
5. (Canceled).

Allowable Subject Matter

2. Claims 2 and 4 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or fairly suggest determining a given order for the radio channels; selecting a first base station and assigning one available radio channel thereto, selecting a second base station and assigning a radio channel having the next order number thereto, or, if the radio channel assigned to the first base station has the largest order number out of the determined set of radio channels, assigning a radio channel having the smallest order number thereto, and continuing assigning radio channels according to order numbers in an

ascending or descending order until radio channels are assigned to the entire set of base stations during manufacture of the base stations, as specified in independent claim 2.

The prior art does not teach or fairly suggest assigning a radio channel derived on the basis on an individual serial number of the base station out of the determined set of radio channels to each base station during manufacture of the base stations, as specified in independent claim 4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
